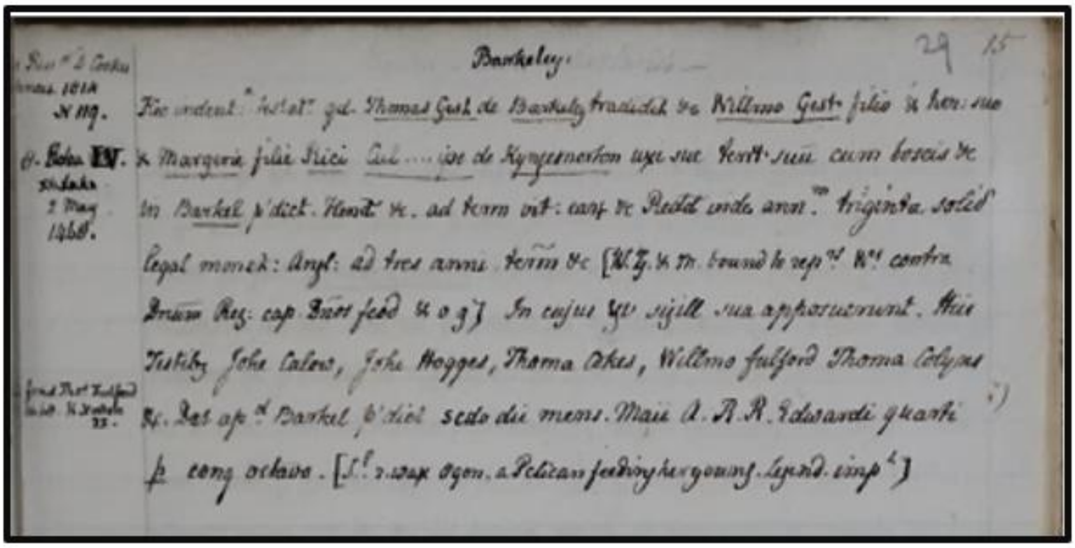
Title: Transcript of a deed in Latin, headed "Barkeley"
Level of description: item
Scope and content: Deed refers to Thomas Gest and [? Willmo] Gest. Deed dated 2 May 1468.

Berkeley

His content instant - GD: Thomas Gest of Berkeley surrenders to William Gest, son of Margeria Julie Rici, property in Kings Norton to break up and to stitch back together territory in the woods or forest in Berkeley in the parish district and hundred, with confirmation and payment of an annual sum of thirty shillings of lawful English money for a term of three years or until the end of three years. He (WG) is bound to represent these matters and property interests, fixed and make firm with a fixed payment or rent charge, and to have and to hold. Left is a small crate for you, appropriate in the circumstances and in relation to my demise. Here testifies John Calew, John Hogges, Thama Okes, William Fulford, Thomas Colynes.


Set and approved at Berkeley parish district, 2nd May 1468 [Sealed wax again, a Pelican feeding her young. Append. imp].[140]
